

### **Chinnara Zilla Darshan :**

Chinnara Karnataka Darshan has been implemented since 2004-05 and has been very successful. This same programme was converted to CHINNARA ZILLA DARSHAN in the year 2009-10. Education has two aspects—stability and change. As the stabilizing agent education ensures the transmission of traditional culture. As a change agent education can play a role only if the structure and content of education is flexible, encourage innovation, experimentation and exploration. In this regard a unique and familiar programme chinnara zilla darshan is useful.

During the programme the children were given a copy of the CHINNARA ZILLA DARSHANA handbook, which provides the information of the district along with instructions, to be followed during the programme. These handbooks were prepared and developed jointly by SSA and District Institute of Education and Training in the state at District level.

The Unit Cost per batch is Rs. 24,000/- for 50 students and 4 teachers for 2 days. This programme is for SC/ST and Minority children. It gives a tremendous experience to the students developing the feeling of co-operation and togetherness

### **Objective for conducting chinnara Zilla Darshan :**

- ✓ To develop the co-operation, adjustment and leadership qualities among the children.
- ✓ To create an understanding about regional, culture and social situations of the different places of historical and geographical importance among the children.
- ✓ To get rid of inferiority complex from children.
- ✓ To provide the diversities exist in their district about lifestyles language practices.

- ✓ To facilitate children of Muslim to acquire better perspective of the district.

A detailed handbook containing the information of the district and its places of culture and historical importance was prepared jointly by the SSA & DIET's at district level. This would be beneficial to establish connections during the learning process and for reference.

**Duration :** - Each batch for duration of 2 days and each batch consists of 50 students & 04 teachers with an expenditure of Rs. 24,000/-
