Draft Minutes of the 244th meeting of the Project Approval Board held on 15-02-2017 to consider the Annual Work Plan & Budget (AWP&B) 2017-18 of Sarva Shiksha Abhiyan (SSA) for the State of Karnataka.

Main highlights of PAB: During the deliberations in the PAB, the State highlighted its Student Achievement Tracking System (SATS) where a student's unique id is generated to monitor his/her life time academic mobility. The State has formulated an act for regulating the transfer of teachers through a computerized process to streamline teachers' deployment. State has developed a very comprehensive web portal to ensure transparent fee reimbursement to private schools for admission under section 12(1)(c) of RTE. The PAB emphasized that the State should focus on improvement on learning outcomes.

1. INTRODUCTION

- i. The 244th meeting of the Project Approval Board for considering the Annual Work Plan and Budget (AWP&B) 2017-18 for SSA for the State of Karnataka was held on 15-02-2017.
- ii. The list of participants who attended the meeting is attached at *Annexure-I*.
- iii. **Initiatives of the State:**

Ms. Rina Ray, Additional Secretary (SE&L) invited Shri. Ajay Seth, Secretary (Karnataka) to share some of the initiatives undertaken by the State through SSA **Shagun web portal**. Using **Repository** of SSA Shagun Shri. Ajay Seth, Secretary (Karnataka), shared the following initiatives of SSA:

1. Karnataka State has a Student Achievement Tracking System (SATS). Under this system Student's unique id PIN generated to monitor life time academic mobility.
2. The State has collected student specific data through Students Achievement Tracking System. The child ID will remain same even in case of transfer from one school to another school. This will help the State to track the dropouts and bring them back to school. The Students' academic records are also maintained in the portal.
3. SSA Karnataka uses the technology to ensure upgradation of teacher's skills to getting the data from the school in a tablet. This data would include the teachers and students attendance.
4. The State has formulated an act for regulating the transfer of teachers through a computerized process. This is very useful for the redeployment of teachers as per the RTE Act.
5. Online process for admission and reimbursement under 12(1)(c).

2. Online Monitoring through SSA Shagun:

- Additional Secretary informed the State team about the second part of SSA Shagun which is **Online Monitoring**. This has intervention wise data of PAB estimates in terms of physical and financial.
- This Online Monitoring is password protected.
- Separate Password has been provided to Secretary, SPD and Director of Education of State.
- The State is now required to upload its data regarding progress against PAB targets for every intervention on this web portal.
- To ensure that the data uploaded on this web portal by the State and U.T. is authentic, it is mandatory that hard copy of the two Summary Reports generated by the online monitoring for each State is signed by the concerned State Project Director (SPD) and submitted to MHRD along with all the documents required for release of funds (Ad-Hoc release in the month of April, Balance of First Installment in the month of June and Final installment is to be released after submission of Audit report by the States or U.T. i.e. 1st November of financial year).

3. Progress in 2016-17 Commitments & Action Taken

The PAB reviewed the progress made in implementing the commitments given by the State in 2016-17. The status in respect of some of the major commitments and the comments of the PAB thereon are as follows:-

a) Progress against Expected Outcomes of PAB 2016-2017

Sl. No.	Expected Outcomes	Action Taken
i.	Child wise database (using Aadhar wherever available or any other unique Id for every child) will be prepared in 2016-17 to monitor their progress and the track out of school children.	Complied
ii.	For standard I to VIII the target for 2016-17 to be achieved in the State Achievement Survey (SAS) and National Achievement Survey (Survey of Learning Outcome) is that all children will score 40% or above in all subjects.	Complied
iii.	State will implement Shaala Siddhi (Basic), the guidelines for implementation of the programme will be provided by NUEPA	KSQAC is nominated as the State Nodal Agency for implementing Shaala Siddhi. State is contemplating strategies to link Shaala Siddhi with STS.
iv.	It is expected that over the next three years will be no out-of-school children. For the year 2016-17, State has identified 2,095 Out of School Children (OoSC) and it has committed that at least 1610 children out of these will be enrolled in schools during 2016-17	For the year 2016-17 State has identified 52,662 out of school children out of which 43194, 6+ age group children have already been enrolled directly to schools in the month of June 2016. Further, 4442 students are being trained in different strategies as on 31.8.2016, and will be mainstreamed subsequently. Thus 47,636 out of school children have already been brought into the mainstream and the remaining 5026 out of school children are the present target for enrollment for the year 2016-17. State is looking for release of fund from the MHRD for further action as approved in PAB minutes 2016-17. OOSC mainstreaming target for the year 2016-17 was 52662 out of which 43194, 6+}age group children have already been enrolled directly to school in the month of June 2016. Thus remaining fresh OOSC 9468 and previous year OOSC 12243 together make a target of 21711. 169 children mainstreamed and provided with hostel facility, 11 CWSN children are covered and mainstreamed under HBE and 6441 children are mainstreamed to nearby school and providing remedial teaching under SBT without volunteer's intervention. Hence, 6621 children in total for which no amount have been claimed in PAB 2016-17. Thus 15090 OoSC are the present target for the department for mainstreaming, for which an outlay of Rs. 1144.775 lakh is earmarked in the PAB minutes. 4851 students are being trained in different strategies.
v.	Dropout rate will be reduced from 2.0% (in 2015-16) to 1.8% (in 2016-17) in respect of Primary schools	Drop rate has been reduced by 1% percentage according to the UDISE (2016-17)

b) Progress against PAB Commitments 2016-17

1.	The State will rationalize teacher deployment in primary and upper primary schools, so that there is no single teacher school and schools have PTR as per norms under the RTE Act, 2009.	The process of rationalizing teachers is completed and ensured that it is as per RTE aspirations. Districts have been permitted to select a total 10,149 Guest teachers in the state to fill the vacancy based on the RTE norms.
2.	State will eliminate schools with zero enrolment and redeploy these teachers. State will rationalize/consolidate schools within the provision of the RTE Act.	Rationalization and redeployment of teacher resource has been carried out based on the RTE norms.
3.	State will complete the GIS mapping of all Schools.	Karnataka completed GIS mapping for all Schools.
4.	All the BRCs and CRCs will be sensitized towards the expected outcomes and commitments given.	Sensitization training for BRCs and CRCs are planned by DSERT.
5.	State will undertake Capacity Building of school heads and educational administrators.	Complied
6.	State will update the information on SSA web portal of the MHRD and on SSA MIS portal.	Compiled
7.	State will ensure, over time, to create an online inventory of school assets and link it with GIS mapping of schools.	Noted and will be initiated.
Part – B: Commitments specific to the State		

i.	State will re-look to follow the total number of working days for schools as per RTE norms.	As per RTE working days are as follows:
		1 to 5 – 200 days
		6 to 8 – 220 days
		(1000 hours, 220 days, as per RTE Act).
		Existing working days in the State is :
		Nali – Kali 1 to 3 rd std -244 days
		4 to 8 th std. – 244 days
ii.	State will ensure immediate release of funds to the SIS for effective implementation of the Scheme.	The instructional hours and working days of Karnataka are more, when compared to RTE norms.
		Instructional hours along with the working days and time table incorporated in Shikshana Margadarshi. Shikshana Margadarshi circulated to all the schools.
iii.	State will ensure completion of civil works sanctioned under SSA by July, 2016.	Compiled
iv.	The State will put in place a Grievance Redressal Mechanism under section 31 and 32 of the RTE Act.	After release of funds by the central Government, action will be taken to complete by March 2017.
		The Government of Karnataka identified Local Authorities to redress the grievances as per section 32 of RTE Act : SCPCR is the appellant authority to redress grievances.
v.	The State will continue to hold regular meetings of the Executive Committee	Complied
vi.	The State will continue to hold regular District Level Monitoring Committee for SSA.	District Level Monitoring Committee for SSA is already in place and will continue with monitoring.
vii.	The State will go through in detail the NCERT, Survey of Learning Outcome findings for the State for classes III, V and VIII and take corrective action as well as disseminate these findings amongst all elementary school teachers so that they improve their performance.	Complied
viii.	The State will provide its share for the approved plan as per the revised Centre-State sharing pattern and first installment of the State share would be released to the State implementation Society within one month of release of central share.	Complied
ix.	State will rationalize posts and salaries in its Project offices as the State had very high proportion of salaries in its Project Management costs.	The issue was placed before 42 nd E.C. held on 12/01/2017.
		EC suggested to relocate the posts in required offices.
		Action will be initiated by the Government.

Proposal for 2017-18

4. Appraisal issues- 2017-18

a. While appreciating the efforts of the State, PAB noted the following;

- i. The Survey of Learning Outcome findings were shared with the state which shows that while in class III 85 % children achieved more than 50% marks in language and 87% children in Maths. In class V number of children achieving more than 50% marks in language declined to 44% and in Maths 53%. Only 7% and 2% children could achieve more than 50% marks in Maths and Science respectively in class VIII.
- ii. State was advised to improve the learning outcomes of children.
- iii. Category wise expenditure was also discussed in the PAB. The analytical graph based on the data uploaded on Online Monitoring showed that the expenditure of the State under category I and II is lower as compared to the approved outlay. The graph showed that the expenditure was 40%, 14% and 46% in Category I, II and III respectively.
- iv. The analytical graph also showed that there is decrease in enrolment in Govt. and Govt. Aided Schools and increase in enrolment in Pvt. Unaided Schools.
- v. Aadhaar coverage of children is 59% in the State.
- vi. Against the commitment of mainstreaming 21,065 out of school children in age appropriate classes in 2016-17, State has initiated action to mainstream children.
- vii. State had committed to reduce dropout rate to 1.8 at primary and 3.9 at Upper Primary level. However, State reported dropout rate of 0.7 at Primary and 3.4 at upper Primary level.
- viii. There are 49% (22348) Stand alone schools (class 1-5 only) and 49% (22062) elementary schools (class 1-8) in the State. There are only 2% (1049) elementary sections in secondary schools.

b. The specific issues highlighted during the appraisal of the State AWP&B are given below:-

I. Educational Indicators

- a) There is considerable shift in enrolment from Govt. schools to Private schools. From 2008-09 Primary enrolment in Govt. schools has declined by 20 percent.
- b) The girls' dropout rate is 4.2% at upper primary level. In 10 districts the girls' dropout rate is more than 5%.
- c) The NER is 79% at Upper Primary Level.
- d) The low retention districts where the retention rate is less than 70% at elementary level like Bidar (58%), Yadgiri (57%), Kalburgi (68%) and Raichur (69%) and these need special attention.
- e) The total decline between the grades is nearly 1 lakh (excluding repeaters), whereas the OOSc reported by the State is only 21,816.

- f) There are only 13% upper primary schools where the subject teachers are available as per RTE.

II. Access:

- State has completed GIS mapping of its schools. However, as per NIC report data of 72% schools only is correct. State is yet to provide geo coordinates of 21,450 schools including 10,960 schools with erroneous data.
- State has developed a very comprehensive web portal to ensure transparent fee reimbursement to private schools for admission under section 12(1)(c) of RTE. The proposal of transportation for 13,632 children was recommended with the condition that State will notify area and limits of transportation/Escort in its RTE Rules and will categorise it as child entitlement (as per SSA norms).
- State's Finance department has made provision of Rs. 22580.00 Lakh for reimbursement to private unaided schools for the year 2016-17 as first installment. Proposal of the state towards reimbursement is recommended equal to the amount reimbursed for classes 1 and above.
- State is suggested to ensure that Private Schools which are under obligation of providing free education to children belonging to disadvantaged groups and weaker sections as defined in section 12 (2) of RTE Act are not reimbursed for admission of children under section 12(1)(c).

III. Quality:

- State has reported that because of rationalization and redeployment of teachers, there is a significant change in teachers position under State as well as SSA.
- The proposed number of teachers for salary under SSA in 2017-18 has been reduced by 4555 teachers which has resulted in increasing vacancies under SSA. As reported by the State, these teachers have been shifted to State cadre as a result of rationalization and redeployment. Hence 4555 (3693 PS & 862 UPS) teachers sanctioned post may be surrendered by the State this year.
- Also, Sanctioned and working posts under State have been reduced by 29268 and 19719 teachers respectively.
- There are 7183 (100%) Part Time Instructors posts vacant in the State and for which the proposal for salary of these PTIs has not been recommended.

IV. KGBV:

- 167 seats are lying vacant. State should take appropriate steps to fulfill the vacant seats.

- Construction of 1 KGBV building of Raichur District of Sindhanur Block sanctioned in 2008-09 is in progress.
- 7 posts of part time teachers, 7 head cooks and 21 assistant cooks are vacant in KGBVs which needs to be filled on priority basis otherwise there can be adverse affects on teaching learning process.

V. IED

As per Census 2011 there are 1.93 lakh CWSN and the state has identified 82141 CWSN. Hence, there is a gap of 1.11 lakh CWSN.

VI. Zero Enrolment and Single Teacher Schools:

There are 257 primary and 298 Upper Primary schools with zero enrolment. The teachers in these schools need to be redeployed. There are also 4208 single teacher schools in primary and 543 upper primary schools in the State. Teacher rationalization is required in these schools

VII. Teacher Vacancy: (State Specific)

The proposed number of teachers for salary under SSA in 2017-18 has been reduced by 4555 teaches which has resulted in increasing vacancies under SSA. As reported by the State, these teaches have been shifted to State cadre as a result of rationalization and redeployment.

5. Commitments for the year 2017-18

- i. State would document their best practices and initiatives and subsequently upload it on the **SSA Shagun** portal. This would enable the State to showcase its successes and would provide a platform for all States to learn from each other.
- ii. State would update the progress in implementation of the approved activities under the AWP&B on the SSA Shagun portal. A hard copy of the Summary State Tables I and II on the Shagun portal, duly signed by the State Project Director, would be submitted at the time of the request for release of funds under SSA. This would be in addition to the already prescribed documents under the GFR.
- iii. For the year 2017-18, State has identified 42000 Out of School Children (OoSC) and it has committed that at least 90% children out of these will be enrolled in schools during 2017-18.
- iv. Average Dropout rate will be reduced from 0.7% (in 2016-17) to 0% (in 2017-18) in respect of Primary schools and from 3.4% (in 2016-17) to 2% (in 2017-18) in Upper Primary schools.

- v. State should create a Child wise database (using Aadhaar wherever available or any other unique Id for every child) by June, 2017. This database would make the enrolment indicators robust and reliable.
- vi. State will maintain a database on details of its teachers, including their Aadhaar numbers.
- vii. The State will complete GIS mapping of all schools (100%) and integrate their database with the NIC website <http://schoolgis.nic.in/>.
- viii. State will undertake positive consolidation of its schools, within the provisions of the RTE Act, with a view to strengthen primary education and for optimum utilization of resources.
- ix. State will map all the stand alone Government and Government aided primary schools, develop and finalize specific action plans for improving learning outcomes in these schools and share it with the Department.
- x. The State will rationalize teacher deployment in primary and upper primary schools, so that there is no single teacher school and all schools have PTR as per norms under the RTE Act, 2009. At the upper primary level, special emphasis should be laid on maintaining the subject PTR.
- xi. State will recruit headmaster in primary and upper primary schools as per the RTE norms. Given the significant role of a headmaster in school management, direct recruitment (including through limited department exam) of 50% of all headmasters may be considered.
- xii. State should ensure that children with less than grade level learning competencies are identified and provided learning support and in-school re-enforcement. Efforts would be made so that that all children reach the desired grade-appropriate competency level.
- xiii. State will explore the mechanisms for convergence with other departments especially with the Department of Panchayati Raj for maintenance of school infrastructure, school sanitation and provisioning of drinking water facilities in schools.
- xiv. State should undertake the “Partnership Between Schools” Programme which aims to link schools located in rural areas with private, aided or government schools in urban or semi urban areas. This would help in bringing all students to one common platform and to share experiences and learn from each other.
- xv. State will display a gallery of the grade-wise photos of teachers on the school notice board in all elementary schools. The photos would be in a size that is visible and identifiable. This would help in honouring the teachers who are the fulcrum of the education system.
- xvi. State will complete all the pending civil works in 2017-18.
- xvii. State will ensure inspection and evaluation of all primary and upper primary schools.

- xviii. The Central RTE Rules has been amended to include reference to class-wise, subject-wise Learning Outcomes for all Elementary Classes. Accordingly, once the related guidelines are received by the State, the State would include the Learning Outcomes in its own RTE Rules.
- xix. The State would ensure the implementation of Public Finance Monitoring System (PFMS) up to the last destination i.e., school.
- xx. The Annual Report would be submitted to the Department for laying in the Parliament while the Audit Report would be laid before the State Assembly.
- xxi. States have a good number of Schools under the control of various Departments other than Department of Education such as Municipalities, Panchayat, Tribal Dept., Social welfare etc. To bring these Schools under unified command it is suggested that a committee should be formed under the Chairpersonship of Secretary, Education of the State.

6. Expected Outcomes 2017-18

In the PAB meeting the following specific outcomes have been agreed to:

- I. 75% of Out of School Children (OoSC) will be enrolled in schools.
- II. Dropout rate will be decreased from 2.7% to 1.0% at elementary level
- III. Aadhaar based child tracking data will be updated in year 2017-18.
- IV. State will provide geo coordinates of 21,450 schools including 10,960 schools with erroneous data.
- V. Annual assessment surveys will be based on the 'learning outcomes' developed by MHRD. The Central rules to the RTE Act 2009 have been amended to include these 'learning outcomes'. As a next step, this document is to be translated in the regional language by the State and it is suggested that these 'learning outcomes' are included in the State rules for RTE. The **Survey of Learning Outcomes** will be conducted during 2017-18 as a sample survey. MHRD will support the State for making adequate preparations for the survey. MHRD also highlighted the need of support to stand alone Primary Schools which may require additional help in this survey. State has 22348 standalone Schools which may require proper monitoring and assistance so that these schools perform better in the survey.

7. Financial Issues At a Glance

(a) Principles Governing the release of funds by GoI during 2017-18

- (i) The interventions under SSA have been classified under three categories i.e. Category – 1, Category – 2 and Category-3.
- (ii) These Categories namely, Category – 1 includes entitlements, Category – 2 includes interventions related to quality initiatives and Category – 3 includes civil works and

teacher salary respectively.

- (iii) Category – 1 and Category – 2 are aimed at improving the overall quality of education and in order to encourage higher spending in these two categories, GoI plans to ring fence the approval so that at least 30% of the releases in 2017-18 are spent on interventions under Category – 1 and Category – 2.

(b) Estimates

Section 7(2) of the RTE Act, 2009 provides that the Central Government shall prepare the estimates of capital and recurring expenditure for the implementation of the provisions of the Act. In pursuance of the above provision of the RTE Act, the Project Approval Board (PAB) of the Department of School Education & Literacy (SE&L) has estimated the following:-

- (i) The Category-wise details are given below:-

Category I:

Sl. No.	Intervention	Amount (Rs. In Lakhs)
1	Free textbooks	1808.66

8. Actual Releases by GoI during 2017-18

The amount provided by Ministry of Finance at BE 2017-18 is Rs. 23,500.00 crore. Against the above estimates, Central Government shall provide to the State Government Rs. 438.50 crore as its share as per Section 7(3) of the RTE Act. The State would contribute Rs 292.33 crore as its State share matching the above Central share as per the existing fund sharing pattern of SSA. In order to emphasize focus on quality of education, it is advised that at least 30% of the releases in 2017-18 are spent on interventions under Category – 1 and Category – 2.

As per Section 7(5) of the RTE Act, 2009, the State Government shall after taking into consideration the sum provided by the Central Government above and the mandatory matching State share, provide the balance funds necessary to fulfill the estimate for the implementation of the Act. It is recommended that the State should meet this balance amount from its own resources including the additional funds devolved under the 14th Finance Commission.'

The State should provide for a separate budget head for the SSA central share in the State Budget. State should release/transfer the central share to State implementing Society within 15 days of its receipt in the State treasury. The State share should be released to the State Implementing Society within one month of the release of the central share. All releases by the Centre would be subject to fulfillment of provisions of GFR by the State.
